## Weather/Opening Policy for Splash Zone

- ◆ Temperature must be projected to be at least 70 degrees by noon with rain not in the forecast.
- ◆ Overcast/windy/rainy day could indicate a closing regardless of temperature if there is no projection of clearing.
- ◆ Early closing is possible if there are 20 guests or less after 5:00 pm.
- ◆ Lightening or thunder will have an immediate 30-minute delay with each subsequent action beginning another 30-minute delay. Management will decide if it is in the best interest of our guests to close for the remainder of the day. The decision will be made in conjunction with radar and the forecast. The pool will automatically close if this happens at 6:00 pm or later.
- ◆ Management will have the discretion to open or close based on the above information.
- ◆ There are no refunds or rain checks for inclement weather.

#### **P-L-E-As**

To ensure the health and safety of all our guests, we ask that you remember to follow these easy “P-L-E-As” for Healthy Swimming.

- ◆ Please don’t swim when you have diarrhea...this is especially important for kids in diapers.
- ◆ Please don’t swallow the pool water.
- ◆ Please practice good hygiene.
- ◆ Please take your kids on bathroom breaks often and wash hands.
- ◆ Please change diapers and clothing in the changing rooms and not in the Park.
- ◆ Please wash your child thoroughly (especially the rear end) with soap and water before swimming.

Without your help, even the best-maintained pools can spread illness. Showering before swimming is a big help in keeping the water clean. Please see that children use the bathroom during each break.
