Dear Friend:

Thank you for your interest in the Memorial Tree Program.

National Trail Parks and Recreation District coordinates Memorial Trees planted in its parks with the City of Springfield's Memorial Tree Program. The City's Forestry Department runs the Memorial Tree Program. Hopefully the following information will answer your questions.

- Tree orders are placed by early February for spring planting and early August for fall planting.
- Each tree is \$110.00 and the City's Memorial Tree Fund matches this amount.
- Requests for a particular species and planting location for your memorial tree will be honored if possible. Otherwise, the NTPRD horticulturist or the City's Forestry supervisor will make final tree selection and choose the best site for that tree.

Your name _____

Address _____

City _____ Zip _____

Phone (Home) _____ (Work) _____

Person you wish to honor

Name _____

Requested location of tree _____

The National Trail Parks and Recreation District's horticulturist will contact you regarding your memorial tree for one of these district parks:

-Davey Moore Park -Old Reid Park -Selma Road Park

-Sherman Avenue Park - Snyder Park -Standpipe Park -Veteran's Memorial Park

-Virgil Mabra Park -New Reid and Snyder Park Golf Courses

*Please return form and check payable to City of Springfield Memorial Tree Fund
1301 Mitchell Boulevard, Springfield, Ohio 45503*
