- Snyder Golf Course / Club House
- Springfield Family Waterworks
- Ball Fields
- Tennis courts
- Play Equipment
- Open Space / Multi-use Fields
- Fishing (Lagoon and Creek)
- Volleyball Courts
- Shelters
- Picnic Tables
- Benches
- Restrooms
- Outdoor Amphitheater
- Shuffleboard
- Horseshoe Pits
- Various Structures
  - Maintenance Building
  - Band Shell

## Recommendations

- Relocate the Madonna of the Trail to the Snyder Park US Rt. 40 entrance
- Incorporate Harshman Boulevard into the main park drive and create a true Parkway
- Create specific picnic areas that contain a shelter, restrooms, tot lot, and dedicated parking areas
- Remove the southern one-way loop road as shown on the plan
- Reuse the existing maintenance building and restroom buildings for programs
- Create a "Creek walk" area along the Buck Creek and adjacent to the old maintenance building
- Remove parallel parking along the main park drive and create dedicated parking areas as shown on the plan and specific maintenance access points
- Improve the amphitheater and increase the seating area
- Create a driving range and relocate the tennis courts to the former Family Waterworks location
- Create a new entry road to the golf course off of Bechtle Avenue
- Improve the parking areas surrounding the golf course
- Relocate the maintenance road along the north bank of the Buck Creek
- Create an internal pedestrian circulation system as part of the Buck Creek Scenic Trail
- Dredge, repair, and clean the existing ponds and lagoons within the park
- Formalize a management plan

- Bike Trail
- - - Alternative trail
